PROFILE

Hands-on creative leader with 8+ years of experience across packaging, brand communication, print, digital and OOH advertising. Combines Adobe Illustrator artwork development with multi-brand creative direction, team management and external print-vendor coordination. Experienced in aligning stakeholders, agencies and production partners around consistent brand standards, with AI-assisted workflows that support creative production.

CORE CAPABILITIES

Creative team leadership | Packaging and variant systems | Adobe Illustrator | Print and POS materials | Artwork consistency and quality review | Agency and print-vendor coordination | Cross-functional collaboration | AI-assisted production | Art direction | 3D object modelling (6 years)

PROFESSIONAL EXPERIENCE

TopwideCare, Lagos | Senior Brand Designer

Feb 2026 - Present

- Lead the online and offline visual identities of Astro, LovSkin and Miracle White, adapting brand communication across packaging, social and trade materials.
- Develop and ideate new product packaging; guide external print vendors to maintain visual identity from design through production.
- Create original brand content and collaborate with agencies to keep communication aligned with brand objectives and standards.
- Build AI-assisted video workflows using GPT-image-1 and Veo 3.1, followed by editing, compositing, copy and brand lockups in After Effects and CapCut.

TGI Group, Lagos | Assistant Manager Brand/Creative

Feb 2024 - Sep 2025

- Led creative development and management of online and offline brand identity, overseeing original visual content from concept through production.
- Developed brand communication, sponsorship and event concepts in support of brand equity, sales and profitability.
- Coordinated third-party agencies and cross-functional stakeholders to align creative outputs with brand standards and business objectives.

AYODELE MARTINS ABIWO

Design Operations Lead | Experience and selected work

Promasidor, Lagos | Creative Specialist

Feb 2019 - Feb 2024

- Managed the creative team developing OOH and digital advertising for multiple brands.
- Created and repackaged visual communication materials for dairy and beverage brands, maintaining consistency across print and digital formats.
- Presented creative outputs to senior stakeholders, including the CEO; managed agency relationships and tracked project budgets.

Promasidor, Lagos | Creative Designer / Social Media Executive

Oct 2017 - Feb 2019

- Developed social and advertising campaigns that increased brand engagement by 20%.
- Designed packaging, POS materials and campaign assets with a consistent brand identity.

SELECTED ACHIEVEMENTS

- Cowbell Chocolate "Get Up N Go": led campaign-logo, print, digital and audio-visual asset development for a multi-channel promotion.
- Cowbellpedia: developed contestant/student branding, wearables, POS materials and audio-visual communication concepts.
- Increased social media traction by 30% across eight brands through refreshed art direction; saved 45% of the marketing budget through a streamlined visual communication process.

SELECTED PRINT AND PACKAGING WORK

Solea soap range: a shared packaging grid, function-led variant colours and 3D presentation across Medicated, Black and Lightening Soap.

Dekora Games: brand identity translated into card layouts and two-piece box packaging, with flat artwork and finished-form mockups.

Templars: editorial brochure design using structured typography, branded page furniture and clear information hierarchy for specialist content.

EDUCATION AND PROFESSIONAL DEVELOPMENT

MBA (Marketing), in view - University of Lagos

B.Ed. Social Studies Education, Second Class Honours - Obafemi Awolowo University

Diploma, Advertising & Brand Communications - O2 Academy, Lagos

Back-End Development (Python/Django) - Meta/Coursera
